

## Doctor's Prescription Failed— The Great Kidney Remedy Proves Its Merit.

It gives me great pleasure to say a good word for Dr. Kilmer's Swamp-Root because it has cured me of a severe case of Kidney Trouble. I had suffered for some five years with this trouble, and more especially for the first three months of 1929.

Physicians prescribed for me but without much success, and any relief obtained was only temporary. I had severe pains in my back and at no time was I free of pain. When I stooped down it was with great difficulty that I could straighten my body again. I could not lift any weight of consequence without great pain. It would be to believe it would be a great help to me. Accordingly I purchased two bottles of Swamp-Root from Mr. A. P. Perry, my druggist, and the effect has been truly marvelous.

I feel like a new man, and have every reason to believe that I am cured, and that no other medicine could have accomplished so much. Now I can raise a heavy load, can bend my back over my desk all day, and feel none the worse for it. In view of the foregoing facts, I sincerely trust that this testimonial may reach some of those who are suffering after the manner before described, and that it may convince them that the merit of this great medicine should be given a fair trial in their case.

Very truly yours,  
B. A. WILSON, Agt.  
Pac. and Wells Fargo Ex. Co.,  
Rockdale, Texas.

You may publish this if you wish.

Letter to  
Dr. Kilmer & Co.,  
Binghamton, N. Y.

Prove What Swamp-Root Will Do For  
You

Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention The El Paso Herald. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

## SHIPS EIGHT CARS OF GUANO TO CALIFORNIA

Togah, Tex., Nov. 14.—W. F. Brice has shipped eight cars of bat guano from Pecos to Colton, Cal. Large deposits of this guano have been discovered in caves 30 miles from Pecos.

## GEORGIA SENATOR DIES.

Atlanta, Ga., Nov. 14.—Alexander Stephens Clay, United States senator from Georgia, died of heart disease at the Robertson sanitarium here yesterday afternoon, after a long illness. He had been talking to his son, Herbert, when he suddenly ceased speaking and fell back with a slight gasp. According to the physicians, senator Clay's death resulted from dilation of the heart, superinduced by arterial sclerosis.

Senator Clay was 57 years old and was serving his third term in the United States senate.

## FIRE CHIEF'S AUTO RUNS AMUCK ON STANTON ST.

Crashes Into Harry Potter's  
Machine and Overturns  
Wagon of Gas Pipe.

Unable to control the automobile of chief Armstrong of the fire department, owing to its skidding, the machine Monday morning veered from one side of South Stanton street to the other, between Overland and San Antonio streets, and stopped only after crashing into the car of Harry Potter, standing in front of the Guaranty bank. The right hand of the fire department auto was mashed into a piece of twisted brass, the right front wheel and fender were bent and several bracing rods were twisted. Mr. Potter's machine was not seriously damaged, although workmen took several hours to get it in running order. A wagonload of gas pipe was also turned over by the fire automobile.

The fire department auto, carrying several firemen and driven by W. E. Smith, was responding to an alarm from the G. H. railroad yards, near Dallas street, where the bunks of several Mexican workmen were burning. South Stanton street had just been sprinkled, and when the machine began veering the driver was unable to control it. After the sudden stop it was pushed back to the fire station and the hose truck, pulled by horses, taken to the fire.

In the meantime the chemical auto had responded to the call. The damage caused by the fire is about \$10.

Chemical Auto Springs Leak.

Sunday afternoon while responding to a false alarm from Oregon and Sixth streets, the oil tank of the chemical auto sprung a leak. It was repaired soon after being returned to the fire station.

Gasoline Stove Abazes.

Sunday morning a burning gasoline stove was responsible for a run to 1118 San Antonio street. The room was full of soot and smoke, but no serious damage was done.

## SMELTER MAN IS INSPECTING PLANT

Admits Improvements Will  
Be Made—Is Executive  
Committee.

Karl Ellers, of New York city, member of the executive board of the American Smelting and Refining company is in El Paso. His coming follows the publication in last Monday's Herald of a dispatch from New York saying that extensive enlargements are to be made on the El Paso smelter as soon as Mr. Ellers and the other stockholders can approve the plans.

Mr. Ellers says: "Such work comes under W. C. Potter, in charge of the Southern district. I have nothing to do with it, but I understand there are to be some improvements."

## IMPORT 654 HEAD OF CATTLE MONDAY

The week-end brought exceptional heavy influx of stock from Mexico. Heading the list is an importation of W. R. Bigham, a Texas cattleman, who brought 204 head of Ft. Worth country. Smaller shipments of the day nearly reached the 800 mark. Monday brought an importation of 654 heads.

The bureau of animal industry announces more stringency in the inspection of our conditions. It is said that the conditions of cars as to cleanliness has been very poor of late, and that regulations will be enforced with more careful inspection.

## NOTED ARIZONA CASE SETTLED

Supreme Court Disposes of  
Title on Santa Cruz  
County Land

Washington, D. C., Nov. 14.—For the fourth time the supreme court of the United States today passed on the question of the ownership of the so-called San Jose de Sonora land grant in southern Arizona, this time holding in favor of the estate of Frank Ely.

The land is located in a canyon formed by the Santa Rita and Patagonia mountains. Ely claimed title by reason of condemnation by the United States privy land claims court of his title from the Mexico government at that time.

The United States by the Gadsden treaty of 1854.

R. R. Richardson claimed it by reason of previous homestead patents.

## FIESTA BIDDERS WISH KENO, TOO

Bidding on the rights of the national gambling fiesta will begin Wednesday in Ciudad Juarez. It is said that bidders have combined to insist on keno house rights, something which never has been granted.

Those already waiting in Juarez are J. Touche, who has bought the concessions for many years past, Jose Parejas, who held rights during the centennial celebration, Rodolfo Cruz, and Felix Roberts.

All are from the City of Chihuahua except Roberts, who is a resident of Juarez. Each has deposited his check of credit with mayor Portillo.

There is little danger from a cold or from an attack of the grip, except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by all dealers.

FALL OF 40 FEET  
NOT FATAL TO  
WORKMAN

Fernandez Takes Thrilling  
Tumble From New Bank  
Structure; Will Re-

cover.

To fall through 40 feet of space, representing four stories of the new American National bank building, and to alight on the tin roof of the Wainwright building without meeting death, was experienced about 10 o'clock Monday morning by Albert Fernandez, a bricklayer.

Another workman, Harley Kiefer, saved himself from the fall by clinging to an "I" beam, and dangling in mid air.

Fernandez, who is an American, lies in Hotel Dieu suffering from a compound fracture of the upper jaw bone, and a broken bone in the left forearm. No internal injuries seem to result, and Dr. W. B. Urnston, in attendance, says the man will live.

The accident occurred when 15 workmen were handling a large piece of terra cotta. In some manner the heavy piece overbalanced, and Fernandez, who was on the outer edge, fell with the mass of plaster, which struck the roof of the lower building before the human body alighted.

Kiefer was on the safe side of the piece, but in attempting to prevent its going over, also tumbled over the edge of the roof. He gripped wildly, and his hands touching a beam, held on for his life. Workmen peering over the edge of the building, saw the mangled form of Fernandez, amid the shattered plaster three stories below. Kiefer was pulled safely on the roof by strong hands which gripped his sweater.

Fernandez lives at 202 East Third street. His wife is in a delicate condition, and it is feared that news of the accident will cause her physical suffering.

CARNIVAL DEPARTS.

The Parker Carnival company, minus George Clements, its impresario, has gone to Tucuman, N. M., where the amusement pastures are reported to be a trifle greener in the carnival show way than they were in El Paso.

HOUSE TEAM WINS.

The House team won from the Edwards team Saturday afternoon in the mixed foursome on the Country club golf course. The score was 5 to 2, and a dinner was given in the clubhouse for the golfers.
